

Mr. Dan L. Ellington
International Division
Bureau of the Budget
Washington 25, D. C.

Dear Mr. Ellington:

Reference is made to Bureau of the Budget Circular No. A-25
on the subject of User Charges.

This Agency does not engage in any activities which result in
any Government services or property available to the public. Some
classified printing services are furnished to the Department of State
and the Atomic Energy Commission and occasionally maps are sold to
other Federal agencies, but reimbursement is received for the cost of
such goods or services.

As our reports on this requirement would be negative, it is
considered that the provisions of the Circular are not applicable to
CIA. It will be assumed that your Office concurs with this conclu-
sion unless we are otherwise advised to the contrary.

Very truly yours,

E. R. Saunders
Comptroller
